## About the Scholarship

The Therapist Development Center is pleased to announce the first annual “Promising Futures in Clinical Social Work” scholarship program. Scholarships of \$500 will be awarded to ten 2<sup>nd</sup> year MSW students with “promising futures” who demonstrate strong clinical skills and a commitment to clinical social work.

Applicants must be enrolled in their 2<sup>nd</sup> year at an MSW graduate school program. Scholarship money can be used to pay for tuition, books, housing, or transportation.

The 2013-14 application deadline is December 15, 2013.

Scholarship awards will be announced February 3, 2014.

Applications must be submitted via website:

## About the Therapist Development Center

The Therapist Development Center was created by social workers. The mission of the Therapist Development Center is to support and guide the ongoing development of mental health providers through innovative, relevant, and practical professional development resources.

The Therapist Development Center is a leader in social work licensing exam preparation. Since 2010, we have helped thousands of social workers throughout the United States pass their LMSW and LCSW licensing exams. In 2012, 95% of social workers who used our study systems and coaching passed on their first try!
